Carson first just made a shorter skateboard (1)..... the shape
(2)..... a square (3)..... himself. "But then my parents told me I had
(4)..... clean and do chores (5)..... pay (6)..... my
surf contest and surf lessons. But I hate cleaning, so I asked them if I could try selling my
Lockerboards instead."

Carson's parents not only said yes, they agreed to help him make it happen. They searched
(7)..... for the best tools (8)..... creating skateboards. But he says
one tool made his mother a little nervous.

"Then we used a table saw but my Mom didn't like that because I was making skateboards
(9)..... myself. And my Mom was like, 'I'm not sure if this is safe,' and my Dad was
like, 'its perfectly fine!' And, then a board shot back and hit him straight (10).....
the stomach..."

Carson made his first sales (11)..... the room where students ate
(12)..... his school. He put a few skateboards (13)..... a table and
his schoolmates started buying them (14)..... (15)..... months,
Carson had an agreement (16)..... a manufacturer.
